V.H.S. Opens the Door . . .

Through the course of his life each individual will face many decisions. Whether they are large or small, new or experienced, important or unimportant, one must decide for himself which path to take--which door to open. For some the road is not always clear.

Vista High School opens the door to a tremendous variety of academic subjects and activities, thus giving each student a truly rounded education. By exposing everyone to a maximum of possible fields, V.H.S. plays an extremely important role in helping each student decide and pursue his life's goals. The 1970 *La Revista* exemplifies the many opportunities that are made available. The doors are there for the opening!

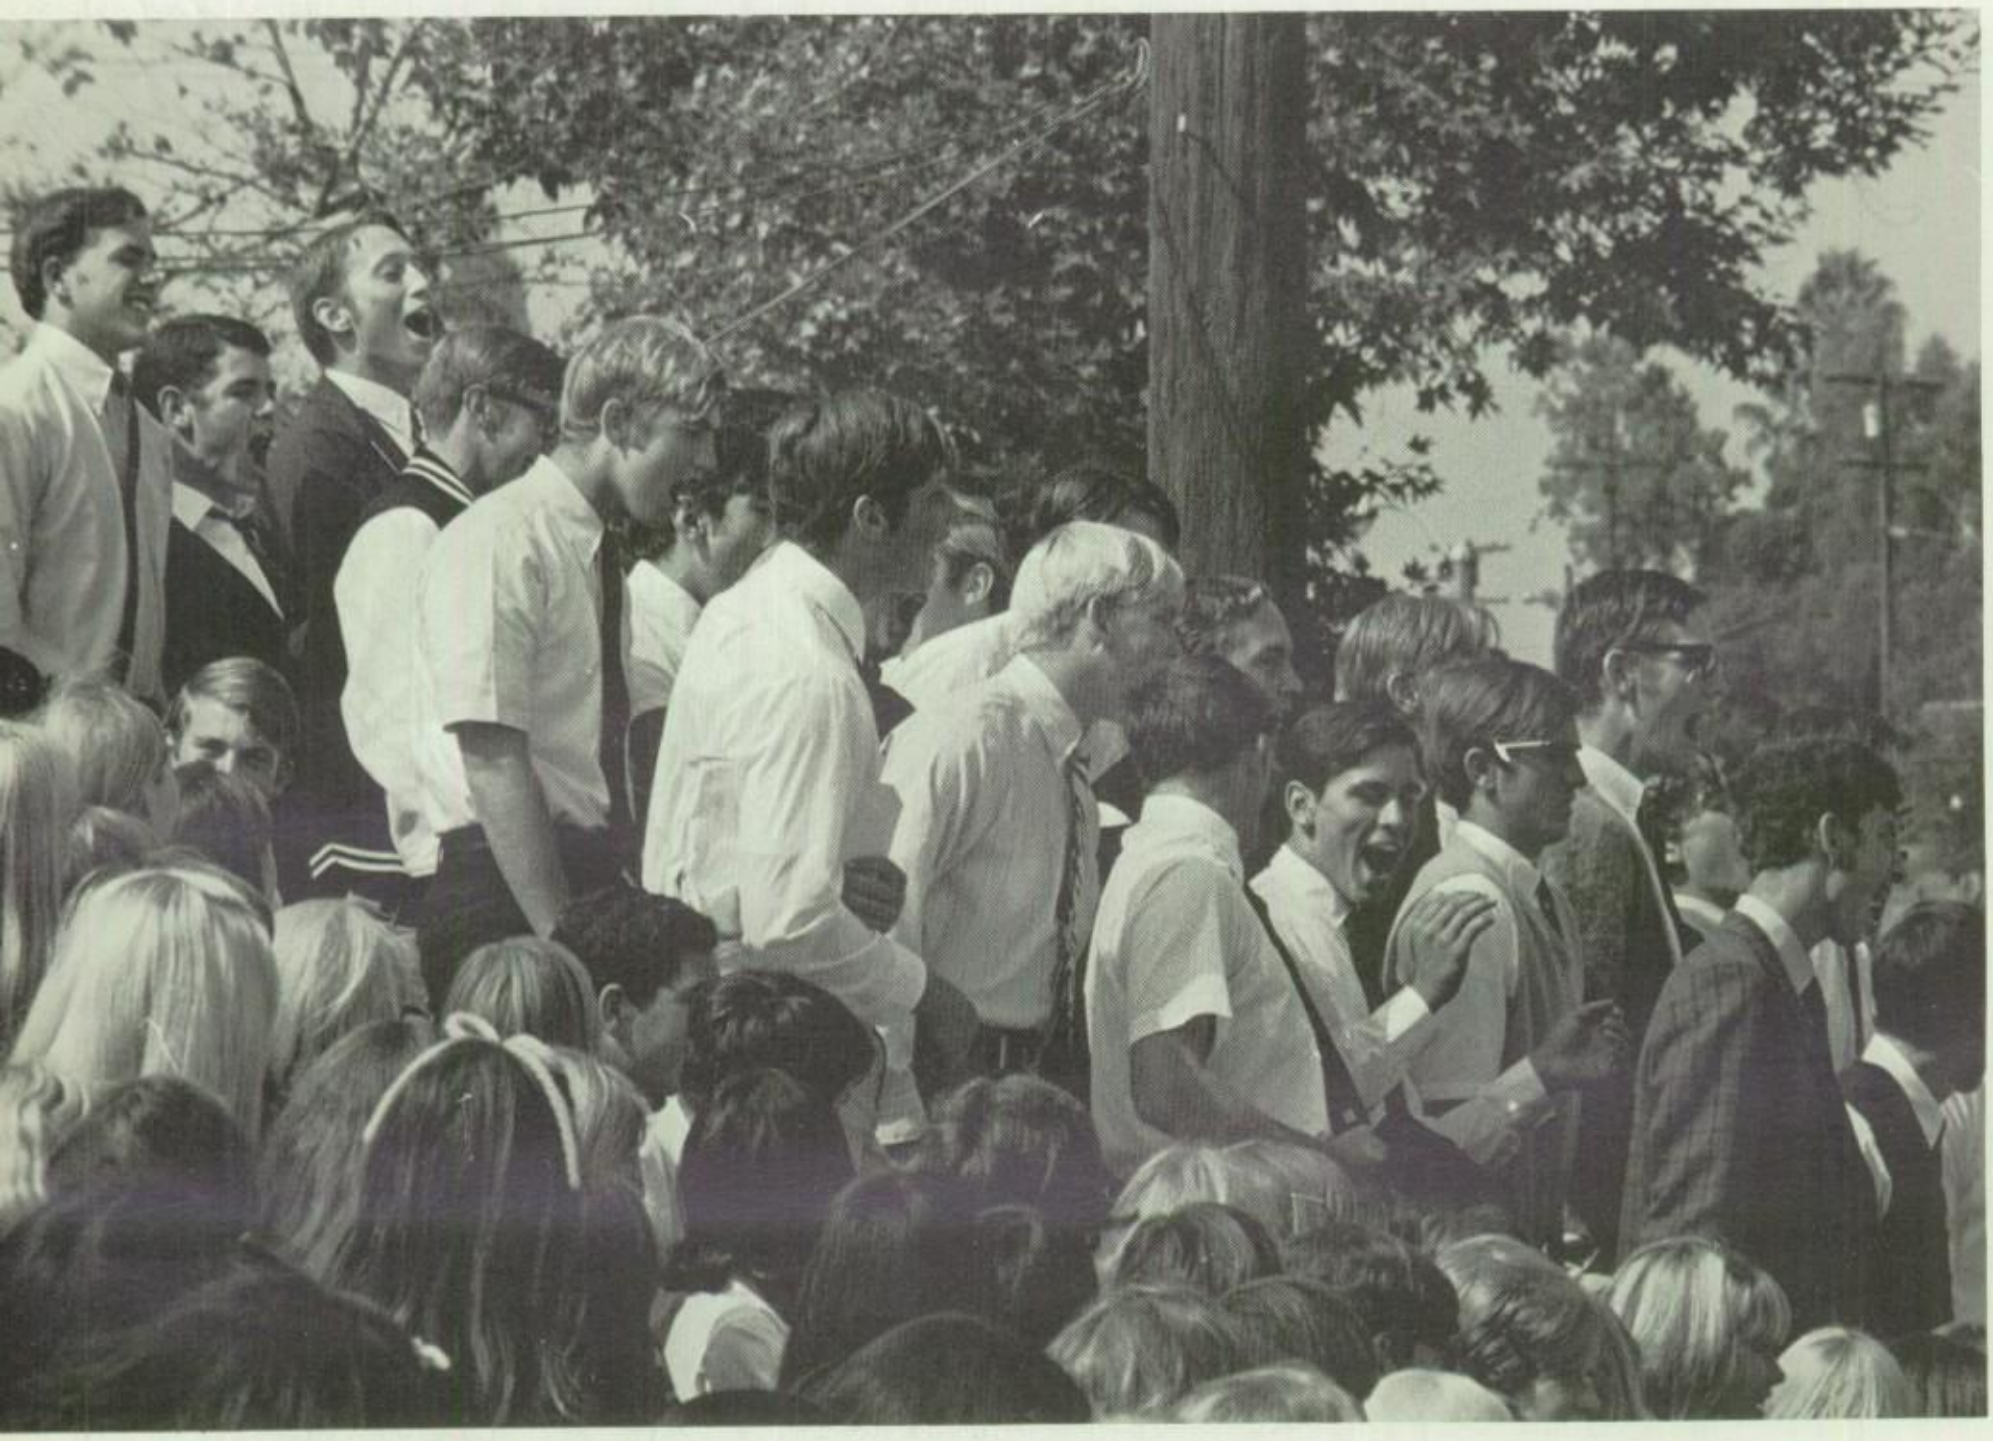
Our Hearts Are Always Open to Spirit!



Spirit was the life-blood of Vista High this year. A new enthusiasm swept over the entire student body as everyone found their own way to express spirit. Participating in athletics, marching in the drill team, playing in the band, or simply yelling support from the stands; school spirit was an all important factor in life at V.H.S.

Sandy:
Well we finally made it through bookkeeping. I've had a chance to meet you. Hope to see ya real soon in the future. Good luck & God Bless You.

Campus Is Open to New Activities

This year Vista High opened its doors to many new ideas and changes. The 1969-1970 school year started with the welcoming of a new principal, Augustus H. Braun, who brought many progressive ideas to our campus. The first innovation to be established was a relaxation of the dress code for both girls and boys. Next came a House of Representatives which brought all the students closer to their student leaders and gave hopes of a successful student government. A soccer club was formed at V.H.S. for the first time. These are only a few of the new developments that came to us.

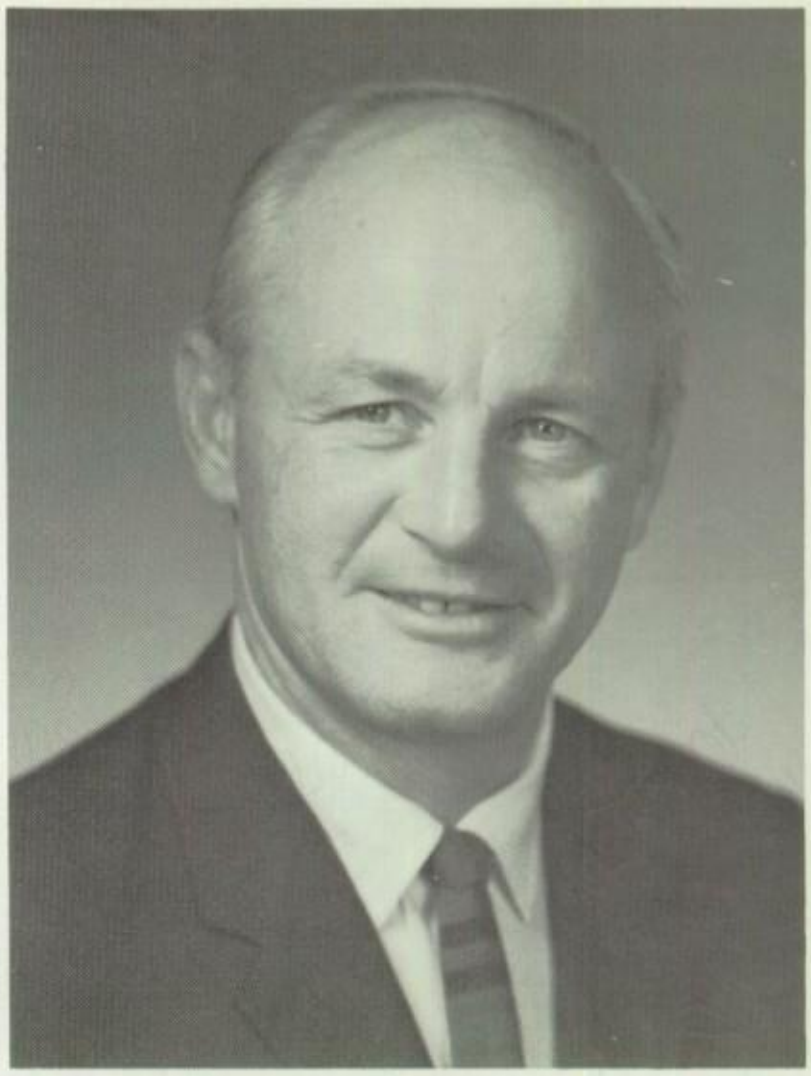
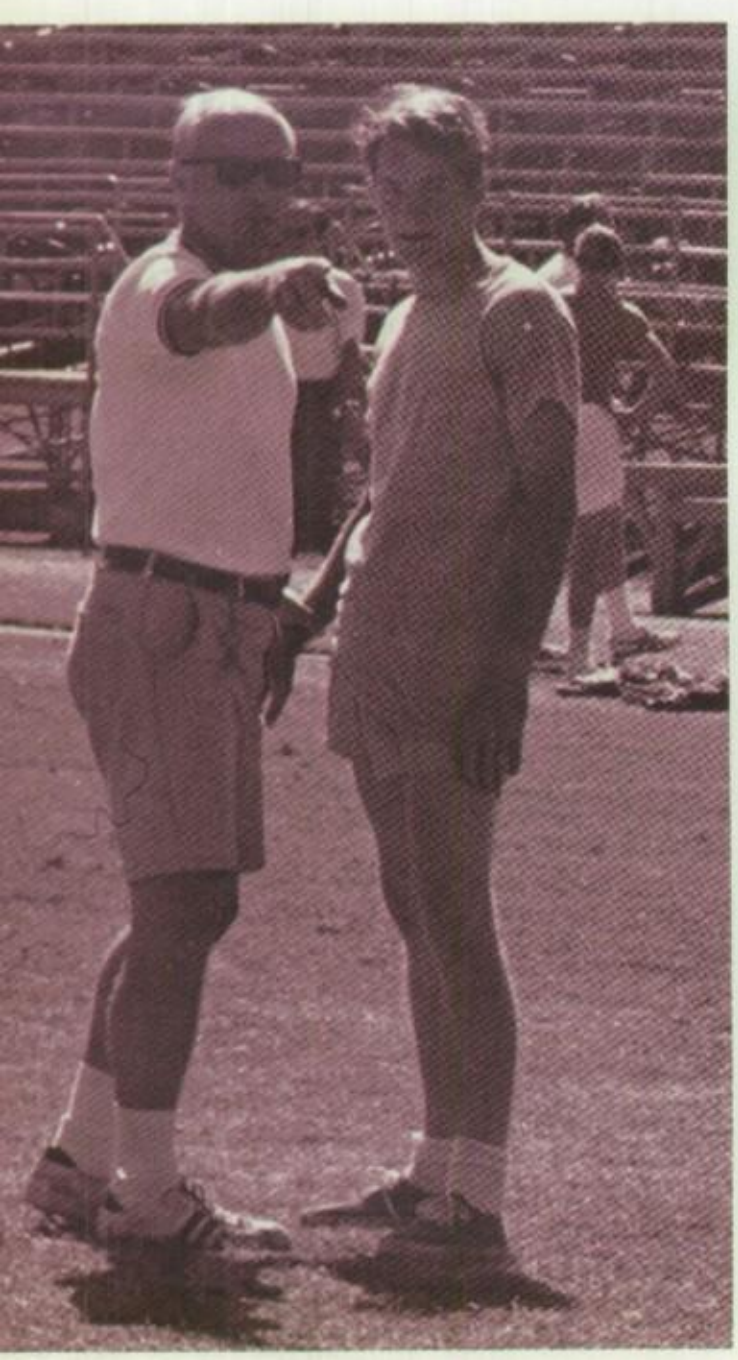
Doors are opened everyday; each door leads to a different goal. Just as each door differs, so do everyone's individual ambitions. In his pursuit of success or happiness, one must find the door to his particular goals--there is a door for everyone.

La Revista dedicates this year's yearbook to two outstanding teachers at Vista High. Mr. Don Hubbard and Mr. Patrick Mongoven have promoted a lot of spirit and academic interest in our students. To Mr. Hubbard and Mr. Mongoven, we dedicate the 1970 yearbook.



Dedicated Coaches



Mr. Mongoven has taught 14 years at Vista High. He is the athletic director and teaches boys physical education. In his past years, he has coached J.V. football, baseball, and basketball. He is a former varsity wrestling and golf coach. Mr. Mongoven obtained his B.S. degree from Moorhead State.

Mr. Hubbard has also taught here 14 years. He coaches swimming and water polo, and teaches U.S. and world history. He received his B.S. degree from U.C.L.A. Mr. Hubbard is currently working on his masters degree in education.

Board Works Toward Improvements

The Vista High Board members realize the need for improvements at Vista High. Thanks to these board members Vista will soon have a new high school. La Revista

Every yearbook staff tries to make its book better and more unique than any ever seen; the 1970 La Revista staff is no exception. With the help of our advisor, Miss Mary Putnam, we learned many ways to improve our book from last year.

We added color pages and designed a new cover. The staff used more creative layouts with more pictures and tried overlapping the pictures' corners. Different from last year's book are the overprints and reverse printing.

Our staff worked hard, but our co-editors worked harder. Shirley Fagan and Gerry Pohl were always nudging us to meet deadlines, and their help was appreciated by all staff members.

In spite of our efforts, some clubs and activities were left out due to production deadlines.

Co-editors Shirley Fagan and Gerry Pohl flee the clutches of Miss Putnam.

Key Club Serves Community

Vista High's Key Club is made up of boys chosen from a select few. The boys who qualify for this honor make their services available throughout the year for various activities.

This year the Key Club sold Halloween Insurance to many Vista residents, they also sold mistletoe to Vista High students. At the Kiwanis Basketball Tourney they sold Programs.

the Rest

C.S.F. (California Scholarship Federation) is an honorary organization whose members consist of students who have at least a ten point semester average. The students apply each semester for membership. Their faculty advisor is Mr. Donald Meyer.

The members meet twice a year to pay dues. This is their only means of support. Membership entitles them to free Dodger game tickets in the summer. A new project that C.S.F. undertook this year was to assist with various school elections.

The name is changed! It has gone from *THE PANTHER TALE* to *THE PANTHER*. Besides the name though, not much else has changed. We now have a two page paper instead of the previous four pages; this is because the paper comes out bi-monthly instead of monthly.

The job of putting out a newspaper is a big one. First they have to seek out the news. Second they go through the proofreading, typing and paste-up procedure that goes with offset printing. Then finally, after the paper has been sold, the class holds 'critique,' which is an evaluation of the whole paper. All this effort is made worthwhile when Miss Putnam says, "You've done a good 'slanted' job!"

The 1969-70 football season proved disappointing for the Vista High Panthers. Faced with numerous pre-season injuries, coaches Gary Schultz, Bob Steckman, and John Paris gave the team needed inspiration. Although the Panthers were small in number, they were high in spirit. They fought through a long disappointing season and produced a 0-9 record. Although they had not won a game the Panthers came up with some fine talent. The offense shined with linemen Terry McPherson, Scott Peters, and back Brad Gerken. Defensive standouts were Mark Monaco, Vince Main, and David Edgar.

Halfback Brad Gerken makes an outstanding cut to trip up a San Marcos tackler.

On defense they had the help of Bob Parkinson, Murphy Meyer and Dave Woods.

Vista High's Basketball Team had one of its finest years in 1969-1970. Vista's Bob Nelson led the league in scoring this year. He led Vista to its second place berth in the league. Bob was not alone though, Brad Gerken, one of the finest ball handlers in the league, along with Greg Stearns, Red Brostrom, and Terry McPherson, gave Vista it's winning ways. Vista started off slowly and had a 5-4 record in the middle of the season, but this was not to stop the Panthers. After losing the first two they went on to win seven games in a row and capture second place in the league. Vista went on into the C.I.F. playoffs and lost a close one to the second ranked team in the county, St. Augustine, 87-86.

In Memoriam

Mr. Robert Olson

The La Revista staff dedicates these two pages to the memory of Mr. Robert Olson, a teacher devoted to his profession at Vista High School for sixteen years. Although he is no longer with us, Mr. Olson's teaching greatness has been felt by many who wish to show their appreciation for his presence on our campus.

No man is an island entire of itself; every man is a piece of the continent, a part of the main. If a clod be washed away by the sea, Europe is the less, as well as if a promonotory were, as well as if a manor of thy friends or of thine own were.

Any man's death diminishes me, because I am involved in mankind, and therefore never send to know for whom the bell tolls; it tolls for thee.

Meditation 17
John Donne

Sandy:
Boy it has been fun the last couple of weeks. I'm so glad we got to know each other. Hope you get everything you want out of life.

Love
Debby
